## PRESIDENT'S REPORT - SEPTEMBER 2013

Good news to report. The George Washingmachine gig was a big success. The room was still full at the end of the gig and we finally made a reasonable profit. A very professional show obviously enjoyed by all.

Our AGM this year is on Thursday 14<sup>th</sup> November at Condong Bowls Club. Since the last AGM, the committee has been short 2 members. Unfortunately these 2 vacancies saw no hands go up. Sadly our club will be losing another 4 committee members due to understandable personal commitments and circumstances. Those standing down are: Virginia Field (Secretary), David Field, Graham West and Karen Lee. We need a new Secretary and committee members to comply with the constitution, otherwise we will lose our club.

Many people have enjoyed the club for some 18 years. We have conducted many music workshops for our local youth and have financially supported the Murwillumbah Festival of Performing Arts plus contributed to our community in other ways for a long time. Our club has attracted international artists and we have also supported local artists.

After so many enjoyable and successful years it would be a great pity to see our club fold. Many Jazz Clubs around Australia are experiencing similar difficulties. If you would like to help save our club or know someone willing to contribute please phone one of our committee.

Sincerely,  
Peter McLaughlin

## NORFOLK ISLAND JAZZES IT UP!

Many happy returns. George Washingmachine is one of our favourite travelling stars - he arrives with a new combination each time he makes a tour, so we keep feeling we have had a little extra. There was an odd extra this trip, he left a bundle of brochures telling of his guest star appearance at Norfolk Island Jazzes It Up - a long term Jazz Festival held each year. As we on committee do, I took one just to know what was happening, but when reading it whilst having my morning coffee I realised it well may be the holiday destination I had been looking for. So I rang the toll free number and the charming lady taking the call has sent detailed information on everything to do with this years event which will be held in the first week of December along with beautiful maps of the island and a video on its history and special beauty! It's always better to travel with friends, so if I have stirred a wonder lust in you, just give me a call on 66723190 and I will get the information to you and we might have a group of members partying it up on Norfolk Island!

*Joan Daniels, Vice President*
