PRESIDENT'S REPORT ----- MARCH 2014

At my local Medical Centre the receptionist is an active Jazz fan, recently she asked me what our club did to encourage the introduction of Jazz to the young in our community. She was surprised and delighted to hear how involved the Jazz Club was with local schools. Right from the early days the committee voted to hold regular School Workshops, one year High and the next Primary.

Some of the early Primary School Workshops were held at the Condong Bowls Club showing how willing they were to help our club long before this became our regular Gig venue. Bus loads of young people were happy to sit on the floor while the muso's played for them and right from the early days the Drummer was a hit. The only sad note has been because of a lack of income last years junior workshop was held over but on a positive note it will be held this year.

Our Jazz Club also sponsors a Jazz Section in the Festival of Performing Arts this has been going on for several years and the winners get to perform as the Early Band at a Gig soon after the Festival has finished. So please keep coming to our monthly gigs so we can continue to support the kids in our community who enjoy learning music. Don't know about you but I feel safe in a town where children learn "Music" rather than just hang out.

I also wish to thank the outgoing committee for their service over many years to our club, especially Peter McLaughlin, Virginia Field & Christine Halloran & next newsletter I will introduce your new committee.

LOOK FORWARD TO SEEING YOU AT THE GIGS

Sincerely,

Joan Daniels (President)

Hi Members,

Just returned from Ballarat & Grampians Jazz Festival and what a Festival it was 140 Bands jammed into 3 days and 13 venues, cost \$65 for a weekend of full on "JAZZ". Players from Sydney, Melbourne & Adelaide letting it all happen, Great stuff, good jam sessions in the park under torch light as we lost power 4pm Saturday till midnight but who needs power at Jazz only the Amp and Keyboards. But the show continued in the Park as most venues were closed because of Health & Safety Regulations. Temperature on Saturday was 43c, quite warm & no ice creams or cold drinks but as all lovers of Jazz do we survived to do it all again next year. Numbers were down because of Bushfire threats and an alert by radio for people to stay away from Halls Gap still I think there were about 5,000 attendees instead of the normal 7,000 but a "GREAT TIME" was had by all.

Gordon Lee.
