PRESIDENT'S REPORT ————— MAY 2014

The names of the current committee are listed here, what isn't there is what these people do to give our members a comfortable club. None of them receive payment for many hours of work in many forms, everyone offering their skills for the benefit of us all. It takes long and involved planning to bring together all the many layers into connecting smooth running gigs. This has been happening from the club's beginning, with many added chores since transforming a multi servicing club into a intimate dine and dance club enjoying quality music. Not forgetting their money raising raffles, setting up for the night & the ongoing money records needed to be kept, with committee meetings every month no one is heard complaining of the time taken to carry out their duties.

My personal answer to that is we all are rewarded with lifelong great friendships with likeminded people who we share many other things in common, so if you are feeling a bit on your own why not come and join us.

LOOK FORWARD TO SEEING YOU AT THE GIGS.

Joan Daniels President.
