PRESIDENTS REPORT

It was not till noticing the return of the Early Birds as the opening set for our May Gig that I realized that many of our newer members would not know how the club started.

The then Mayor Max Boyd believed the Shire Community would benefit from a Jazz Club open and available to the general public. He contacted Peter McLaughlin who in turn contacted Col Hobson (1st President) re contacting local musicians, jazz enthusiasts re starting a jazz club. The then owners of Greenhills on Tweed, Paul Irwin and Michael Hore were also invited to attend as they also were jazz tragics and offered Greenhills as a place for Jazz Gigs. Greenhills then became the home of the Jazz Club for many years the first function being held on Friday the 28th June 1996.

Unfortunately I was not able to attend the first couple of gigs but have not missed any since then, After Greenhills was sold our club decided to move to the Condong Bowls Club which is now our home, it is gratifying to see many of the early muso's and committee members are willing to help each month with the setting up and clearing up after each gig.

Thanks to the continuing support of the club we are able to bring excellent talent for the community at the same prices that were decided on in the early days of the club.

LOOK FORWARD TO SEEING YOU THERE.

Joan Daniels — President.
