TWEED VALLEY JAZZ CLUB

HOSTING SEPTEMBER / OCTOBER ENTERTAINMENT CONDONG BOWLS CLUB

Friday September 30th 6.00pm to 10.00pm EST

Entry \$20 Visitors / \$15 Members Early Band plays 6.00-7.00 pm

Trombone Kellie and the Muddy Roaders have a well deserved reputation for not only their skills as musicians, but also the gift of being truly entertaining and fully engaging with their audience.

They entertain with their unique and versatile blend of blues, jazz swing, rockabilly, New Orleans styles, trad jazz, gospel, western swing, soul and more.

They love the music, and it shows in their performance, which features inspirational

vocals and raunchy horns, with provocative guitar and a driving rhythm section.

Always with some element of surprise, the Trombone Kellie and Muddy's experience is energetic and dynamic.

The band lead by Kellie on vocals and trombone, features Toby Baron on drums, Justin Pfeiffer on double bass and vocals, Derek Siddon on trumpet and vocals, with Scrubby Pete Hurcombe on guitars and vocals. This is a great combination.

THE WAY I SEE IT

This is the last of my monthly commentaries for my year as president before you elect a new committee and officers for 2016/17 in October. Committee members like me stepped up at a time when it had been publicly announced the club would soon close without a new committee. If that was a well thought out strategy, it worked! Since that time and a little more strongly each year the committee has stemmed the 'life threatening' flow of funds out of the club, although still a long way to go. We have been able to maintain an excellent standard of music, with some 'experiments' and plenty of solid jazz along the way. There was no magic bullet. It is the result of hard work and dedication to the cause. A list of 'thank you' would fill an A4 sheet (both sides probably) and includes, above all, you the members who stand by the club, the musicians who are truly generous with their time and talent and our sponsors. That is what makes this club great and on its way back to its former glory. Some judicious financial management and the unglamorous administration work keeps the loose ends as tight as possible. So please think seriously about putting your shoulder to the wheel a bit more. It is an exciting time but clubs need a constant supply of fresh energy and creativity. If the current committee is re-elected holus bolus, that's also fine, it is not a spent force by any means. Even so, there isn't much in life that couldn't be just a little better, even if my arch enemies, the economic rationalists, would require a marginal cost/benefit analysis!

President— David Lintern
