MAY 25th FROM 8:00

The Whopping Big Band, a student Big Band, was established in 1994 as a part of the Murwillumbah Primary School Band Program. Since that time, hundreds of young musicians have had the opportunity to rehearse each week with the band to extend their skills. The band plays from a wide variety of “Big Band” repertoire and enjoys regularly performing gigs. Current members are from schools right across the Tweed Valley.

JUNE 29th from 8:00

Another club financial year coming to a close and we are going from strength to strength. I hardly need remind you all we continue courtesy of your ongoing support, the backing of our sponsors and general goodwill in the community. So, folks, let's keep it going. This issue includes a renewal form for your sub—at a gig, straight to our bank, whatever is most convenient for you just please do it. We have the bookings for a mix of live music from most of the jazz list, the highly talented musicians are there and looking forward to playing for us. It is good to know they are never dragged here kicking and screaming, they love us as an appreciative knowledgeable audience. So do the paperwork, divvy up, and your committee will do its job—a firm promise.

A few months ago we put a comments book by the front desk. The idea, of course, to get your input to club activities. There may well be complaints but we would like your ideas, what music, bands. TVJAB is a club not just a music venue. Jazz clubs are getting a bit of a bump these days, many rely on the tolerance/patience of a much larger club perhaps benefitting indirectly from the pokies. We are generously hosted by Condong Bowling Club and appreciate their involvement and cooperation. But we need yours, please let us know if there is a music genre, a band, and VP Scrubby Pete will add it to his wants list.

Remember THE BOOK IS BACK!!!
